Note:

- The acceptance of this form by the state plumbing board does not qualify for the issuance of a plumbing contractor's license.
- An affidavit must be submitted to the department annually.
- **The original wall and pocket license of the MASTER PLUMBER who will represent the employer listed below must be submitted with this request.** Upon issuance of the affidavit certificate, the master plumber license will be updated and reissued to reflect the name of the employer and returned to the licensee. Retain a copy of this application and the master plumber license until the license and certificate are received.
- In those instances where business or industrial procedure requires the regular employment of a full-time licensed master plumber, a licensed master plumber shall be authorized to secure permits for installations of plumbing on the premises owned or occupied and used by the business provided the licensed master plumber physically supervises the plumbing work and represents only the business or industrial employer.
